

PX'Therapeutics Announces Appointment of New CEO

June 14th, 2013

PX'Therapeutics announces the appointment of Dr. Eric Rougemond as Chief Executive Officer with immediate effect. He replaces Mr. Tristan Rousselle co-founder and Chief Executive Officer of PX'Therapeutics since November 2000.

Eric Rougemond, CEO of Aguettant Group since February 2013, will manage the CMO located in Grenoble (France), expert in engineering and biomanufacturing of recombinant proteins.

He has an extensive experience in managing international projects and P&Ls in specialty pharma and biotech.

This change follows the acquisition of PX'Therapeutics by Aguettant and the plans of Tristan Rousselle to set up new projects.

“Eric wants to thank Tristan for his instrumental role in PX'Therapeutics and wishes him a lot of successes in his new projects”.

Aguettant and PX'Therapeutics clearly reaffirm their willingness to further strengthen synergies between both entities and to develop the Biotech hub of Aguettant Group.
